EQUITY STATEMENT

The Faculty of Kinesiology and Physical Education (KPE) is committed to providing an inclusive and welcoming environment that nurtures a culture of belonging. We strive to address and remove structural barriers in education, sport, and recreation through the cocreation of diverse and meaningful opportunities for equity-deserving communities within the Faculty's teaching, research, programs, and services. These barriers are rooted in historical and ongoing inequities including but not limited to colonialism, racism, sexism, heterosexism, ageism, classism, ableism, religious-based and gender-based discrimination. As part of an institution complicit in contributing to colonial processes, we are also committed to reconciliation by building relationships with Indigenous communities in order to learn about the diversity of Indigenous Nations, create Indigenous spaces, and enact anti-colonial practices. Grounded in an inclusive framework, we will work to co-create purposeful change with our diverse KPE communities.

5. Am I part time or full time in the 2023 Summer session?

You are assigned **part-time status for the Summer 2023 session by default**. You may request to change to full-time status.

Your enrolment status (Part time or Full time) is determined based on your **total course load in the 2023 Summer session** in both First term and Second term, not by term.

- Full-time: Enrolment in 1.5 - 2.0 credits

6. I am currently enrolled in 2 half courses (or 1 full course) for the 2023 Summer session.

Why am I unable to enroll in more courses?

For the Summer 2023 session, you are assigned **part-time status (0.5-1.0 credits) by default** so you can enroll in **up to 2 half courses or 1 full course** including waitlisted courses.

If you intend to take more courses, you may request to change to full-time status (1.5-2.0 credits) by contacting the Registrar's Office. The maximum enrolment allowed for the 2023 Summer session is 2.0 credits.

8. I am on the waitlist. Would I be able to enroll in the course?

Course registration numbers will fluctuate as the registration period progresses, and you will be moved off the waitlist should capacity become available in a course for which you are waitlisted. We recommend that you have a **backup plan** in the event that you cannot secure a spot in a course which has reached its capacity, and encourage you to make an **appointment with a student advisor** should you need assistance with your academic planning.

9. How will my tuition fee be determined?
