CAMP U of T

Campers learning to use the audio visual equipment at Sport Business Camp.

WELCOME TO CAMP U of T!

As part of the University of Toronto's Faculty of Kinesiology and Physical Education, Camp U of T offers a range of programs for children ages 4 to 16 years, all designed to promote healthy, active lifestyles.

Conveniently located on the University's downtown campus, campers enjoy access to world-class facilities including the Goldring Centre for High Performance Sport, Varsity Centre, Athletic Centre and front and back campus fields.

Our counsellors and staff, more than 60% of whom are U of T students, are committed to providing our campers with the experience of a lifetime.

If you are new to Camp U of T, please join us for an open house on Tuesday, June 2 at the Athletic Centre from 4:30 to 5:30 p.m. This is a great opportunity to meet camp staff and to see our facilities.

In the pages that follow, you will find the full schedule of camps being offered for 2020.

We are looking forward to another exciting and active summer. Hope to see you here!

CAMP CLOSURE*

Camp U of T is closed on July 1st and August 3rd.

REGISTRATION**

Registration opens February 12, 2020 for all programs except for those in the High Performance Academy, which opens March 1, 2020.

AGE GUIDELINES

Age guidelines for Camp U of T programs have been set to be appropriate for the developmental stage of the child, the facility in which the program is held and the program goals. Your child's safety and enjoyment of our programs are of paramount importance to us and we ask that all parents and guardians adhere to these age guidelines. **In programs for 4 to 7 year-olds, the child must be the appropriate age by the first day of camp;** this is for the safety of all campers and staff, particularly around swimming and supervision. We will not accommodate any requests for age exception in these age groups and we reserve the right to ask for proof of age. In all Camp U of T programs for children ages 8 and older, the participant must be the appropriate age **BEFORE** December 31, 2020. If your child is too young to participate this year, we look forward to seeing them in our programs next year! If you would like to enrol your older child in a program that is set for younger children, please contact us to discuss the specifics.

GETTING READY FOR REGISTRATION

Registration day can be busy, particularly at 7 a.m. when registration first opens. When you log in, you may be placed into a virtual queue. You will be assigned a "number" representing your place in line and provided with an estimated wait time. Once your user ID reaches the front of the queue you will be able to access the campus recreation system to complete your camp registration(s). Please ensure that you have created your account and added your dependents prior to the registration date. For instructions on account creation, visit uoft.me/campusrec

EXTENDED CARE

Pre-camp supervision, from 8 a.m. to 9 a.m., and post-camp supervision, from 4 p.m. to 5 p.m., are included with every camp registration. Campers who are not registered in the extended care program must be picked up by 5 p.m. Extended care from 5 to 6 p.m. is available for a fee of \$31/week. Campers registered in the extended care program will be picked up at 4:45 p.m. from their specific camp and taken to a designated area. Parents are reminded to send an extra snack for campers in extended care. Please ensure that you register at the correct location (Athletic Centre or Varsity Centre) for extended care based upon the drop off location of the camp.

REFUNDS

Refunds, less a cancellation fee of 10% of the registration fee, will be given 14 days prior to the start of the camp. No refunds will be processed within 14 days before the start of a camp unless a doctor's note is presented. There are no discounts for days not attended. The refund policy applies to camp programs and extended care.

TRANSFERS

Transfers are available free of charge to camps of the same price; if the camp into which you are transferring has a higher price, the difference must be paid. If the camp into which you are transferring has a lower price AND the request is received at least 14 days prior to the start of camp, you will receive a refund of the difference. There will be no refunds for transfers to a lower priced camp if the request is made within 14 days of the start of the camp.
