The University especially welcomes applications from visible minority group members, women, aboriginal persons, persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas. | |
| Deadline: | March 15, 2020 |
| Number of Positions: | 10 |
| Rate of Pay: | \$19.50 |
| Start Date: | May 3, 2020 |
| End Date: | September 14, 2020 |
| Number of Hours per week: | Variable |
| Classification: | USW Casual |
| Summary: | <p>The successful candidate will work, as part of the Aquatics team. The Electronic Timing System Operator (the Timer) reports directly to the Pool Supervisor or Assistant Pool Manager on duty.</p> <p>Technical responsibilities include understanding and operations of an Omega timing system (Quantum units and accessories, breakers, electronic touch pads, horns, score board, strobe, computer, printer, electronic starting blocks, electronic shot clocks), as well as sound equipment (starter's mic, portable sound system, starting block speakers, synchro sound system, sound cabling etc).</p> <p>The Timer is responsible for ensuring setup and take-down of the timing and sound system prior to and after events and ensuring security of electronic equipment. During the swim meet the system is operated accurately.</p> <p>The Timer is responsible for communicating with the Pool Supervisor and the meet management to ensure that all aspects of the timing run smoothly, and to troubleshoot errors and malfunctions and attempt to find solutions, often by using basic repair skills.</p> <p>Other tasks are also performed as needed: inventory and condition of electronic timing supplies, tidying and maintaining the timing booth area and logging/reporting system repair requirements. As a member of the aquatics team, the Timer also ensures that all patrons are adhering to Ministry of Health Regulations for swimming pools and will assist in the event of a medical emergency.</p> <p>Other duties as assigned.</p> |
| Minimum Qualifications: | <p>Education: Some University education preferred. Preference given to U of T students.</p> |
| | <p>Experience: Demonstrated mechanical and computer skills. Demonstrated knowledge of pool operations and enforcement of Health Regulations is an asset.</p> |
