LEARN, PLAY AND GROW WITH JUNIOR BLUES!

As part of the University of Toronto's Faculty of Kinesiology and Physical Education, the Junior Blues program offers a range of activities for children ages 1 to 16 years. With a variety of classes on land, in water and on ice, Junior Blues gives children and youth the physical literacy skills they need to be active and healthy for life.

Conveniently located on the University's downtown campus, our 'Junior Blues' enjoy access to world-class facilities including the Varsity Centre, Athletic Centre and Back Campus fields.

In the pages that follow, you will find the full schedule of Junior Blues programs being offered for the Fall session of 2019-2020.

We are looking forward to another terrific year and hope to see you here!

AGE GUIDELINES

Age guidelines for Junior Blues programs are based on a child’s developmental stage, the facility in which the program is held and individual program goals. Your child’s safety and enjoyment are important to us. We ask that all parents and guardians adhere to age guidelines.

CHILDREN UNDER 3 YEARS OLD

Programs for children under three are family programs and require an adult to attend and fully participate. One adult per child is required.

CHILDREN 3 & 4 YEARS OLD

All children participating in classes for three and four year-olds must be the minimum age specified in the class description by the first day of class.

CHILDREN 5+ YEARS OLD

All children participating in classes for those five and over must be the minimum age specified in the class description by the last day of class.

If you would like to enroll your older child in a program that is set for younger children, please contact junior.blues@utoronto.ca.
