STEP 3: Plan your Arts and Science electives

- 0.5 Full Credit Equivalent (FCE) of Arts & Science electives is required for the first year of the KPE undergraduate degree program.
- Consult the Arts and Science 2019-2020 Timetable for the courses offered:
<https://timetable.iit.artsci.utoronto.ca/>
- A second term (S section code) elective is recommended to balance your timetable.
- Search for courses using Course Finder: http://www.acorn.utoronto.ca/course_finder.php
- Choose a course that you are interested in and that fits into your timetable + draw this course into your timetable.
- Do not enrol in courses that conflict with your schedule.
- Note: it is a good idea to have several back-up plans for your elective course selection.

STEP 4: Enroll in your courses on ACORN - <http://www.acorn.utoronto.ca/>

- Now that you have a plan, you need to officially enroll in your courses on ACORN
